Swim Lesson Class Supervisor (Newton)

The class supervisor serves as a member of the agency Fitness Staff with responsibilities, which, at times, extend beyond the limits of his/her specialized functions. He/she works within the framework of the total agency and the objectives to which his/her program is related. He/she gives specific attention to the aquatics department and the safety of the total membership.

The Class Supervisor is responsible for maintaining the highest degree of customer service and organization for all patrons using the pool for our swim program. The class supervisor must play an active role in assisting the parents and be comfortable introducing a new parent who has an evaluation and explaining the program. Class supervisors take students to their instructors, show them to the locker room, have parents fill out registration forms, and communicate with the office staff on a continuous basis.

Duties and Responsibilities

- Initiating warm and friendly welcome to all clients entering the pool facility. Remember that you may be the first and last person with whom the parents interact with when they enter the pool. Please be helpful, considerate and try to work out any issues.
 - Accountability for the physical appearance and overall organization of the pool, including station set-up, aquatics equipment, deck furniture, and station breakdown
- For more Duties and Responsibilities please call....

Brief Description of the job duties and qualifications needed (1-2 sentences):

Swim Instructors (Newton)

The Aquatics Department of the Jewish Community Center in Newton has immediate openings for Swim Instructors. Swim Instructors teach swim classes for babies, children and adults using the SwimRight® Method which is a part of the Lenny Krayzelburg Swim Academy that was adopted this fall at the JCC. Swim Instructors should have experience teaching swim lessons and enjoy working with children. Swim Instructors are mostly needed for afterschool and weekend hours.

The Lenny Krayzelburg Swim Academy (LKSA) is a unique aquatics education program organized around swimming foundations and designed with an emphasis on safety. From the age of three months, children (and adults) can start at any time--and learn and progress at their own pace! Students are taught the SwimRight® method, which focuses on correct body positioning and proper alignment from the early stages of lessons. Progress is captured in personal swimming journals complete with fun exercises and lots of positive reinforcement! As swimmers advance, they participate in safety tests to confirm their proficiency, enabling them to move ahead with a sense of accomplishment and pride.

To become an instructor, there is a 40 hour training that must be taken. The 40 hours is a mixture of watching videos, learning about the method and program, co-teaching, teaching on your own and a test at the end. The cost of the program is \$200 and you will earn that back if you work for us for 6 months consecutively.

Please reply to the post with your resume if you are interested in the position.
